UNSATISFACTORY WEEK

Was the one Just Ended for the Wheeling Base Ball Club-Two out of Seven on the Home Grands not a Record to be Proud of.

The campaign of the Wheeling base ball club for the week just ended was far from satisfactory to the public, the management and the players them-selves. Two out of seven on the home but the work of the team at bat and in the field shows that they didn't deserve to win more than two, for opposing teams outclassed the Stogles, both at but and in the field.

The management has been indus-trious in signing new talent and letting old players go adrift, in the hope that the changes would give a combination that would be able to hold its own in the fast Inter-state. How disappointing the result has been is well known to every fan in the city. One thing is cer-

every fan in the city. One thing is certain, if the team doesn't get in the game pretty soon it will be so far in the rear that even a place in the first fair in the rear that even a place in the first fair in a the finish will be beyond sach. During the week ender, Wheeling in creased her batting average two points, but as opposing teams also advanced two points. Wheeling is yet three points in the rear. Individually, Myers made the best showing with the stick, increasing his average from 231 to 270. Poole also came up the line at a merry cilp, as did Lyons, Lytie, Wells, Twineham and Pastorius, On the other hand. "Billy" Niles was away" off and dropped from 250 to 261. The batting averages in detail are as follows;

New Castle held the lead in the Inter-New Castle head the feat in the inter-state race just one day. The loss of the second game on Saturday sent the Quakers down the line a point or two behind the Tojedow, and the Sunday victory of Gilky mon widened the breach several points more. Wheeling manages to stay a few points ahead of the Old Soldiers, and Youngstown and Grand Rapids are within easy halling distance of the Stogies. It will be a difficult proposition, however, to overhaul the last of the first division clubs,

All the Inter-state teams have an off day in the schedule to-day, and to-morrow, the Fourth, each team plays two games. Mansfield comes to Wheel-ling Youngstown plays at New Castle; Dayton is at Toledo, and Grand Rapids is the attraction at Fort Wayne.

Wheeling and New Castle parted syen Saturday afternoon. Parvin pitched indifferent ball in the first game and deserved to lose. The second game was in refreshing contrast in one or two particulars at least. Poole, for instance, gave a remarkable exhibition of plucky work both at the bat and in the box. He knocked out a homer, a three-bagger and a single, and in the face of rocky support pitched gilt-edged ball throughout.

throughout.

"The most remarkable catch ever witnessed in a ball game," is the verdict on a piece of fielding shown the crowd Saturday afternoon by Dobbs. The ball was knocked to deep center and seemingly was good for at least three bases. The instant the bat cracked and the ball began its upward and outward journey to center garden. Dobbs turned and ran with all the speed that was in him nearly to the fence, when he guiddenly turned and was just in time to stick up his mitt and rake in the spiere. It was magnificent judgment; a foo! less or a yard more and the catch would have been impossible. Of course luck figured in the play, but it is only to really great ball players that luck like that comes. The fans gave Dobbs an ovation for his wonderful catch.

BOXING.

It may be of interest to a number of people to learn that the Metropolitan Athletic Club has a physician examine all the boxers at its entertainments previous to their entering the ring. club's physician ascertains the physical condition of not only the men in the condition of not only the men in the main event, but siso the contestants in the preliminary events. The club's new management has observed these precautions to the letter and so long as it does there is little likelihood of the fatalities occurring at other pisces where there is absence of such regulations. Dick Moore's condition, contrary to the opinions of some people, was adjudged sound. But even at that Dick did the wise thing in asking for a post-pomement.

Dick Moore has taken up his training quarters at Rudier's, out the pike, and promises to be down to elegant shape for Harry Fischer, July 10. In return for the crowd's generosity in granting him the chance to get in shape, he says he will show them a proper battle. The heavy fellows will make a great exhibition and it will be hard to pick the winner. Fischer, who returned to Brocklyn, will be back this week. He is always in fair trim and won't need to do as much preliminary work as Moore.
